Dear Mr. Fox:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule E of your report indicates disbursements made in support of the federal candidates listed. However, the Addendum provided as a supplement to Schedule E indicates certain Independent Expenditures were made in opposition to Al Gore, Ron Kind, and David Obey. Please amend Schedule E to clarify this discrepancy. Also, please attribute an expenditure amount to each federal candidate if that amount is anything other than an equal division of the total amount spent.

-Schedule B of your report discloses a \$25,351.25 payment to your connected organization for fundraising (pertinent portion(s) attached). 2 U.S.C. §441b prohibits a corporation or labor organization from contributing or expending funds for the purpose of influencing any federal election; however, a connected organization may pay for the solicitation and administrative costs of its separate segregated fund.

Please amend your report to clarify whether the payment to your connected organization was for expenditures which were intended to influence federal elections and provide the dates of the activity conducted by your connected organization. Although the Commission may take further legal action concerning this matter, your prompt action will be taken into consideration.
